IDENTIFICATION OF COPENDING APPLICATIONS

Sir:

The attention of the Patent Office is drawn to the following copending applications:

Serial No. 09/265,921 (Our Ref: 791_040), filed March 10, 1999;

Serial No. 09/349,286 (Our Ref: 791_055), filed July 7, 1999, *Chen et al.*

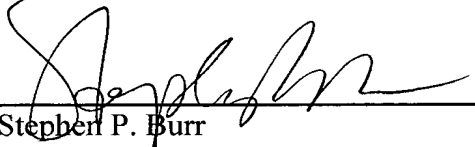

which may contain technical subject matter related to that of the present invention. This identification is not to be construed as a waiver of secrecy as to the cited applications now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination of the present application.

This paper is being filed in duplicate and the Examiner is requested to initial and return a copy to applicants' undersigned representative with the next communication mailed for this application, as acknowledgment that the copending applications have been considered herein.

RECEIVED
SEP - 6 2000
TC 1700 MAIL ROOM

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-1446.

Respectfully submitted,

Stephen P. Burr
